REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Claims 24 and 26-28 clearly define applicant's claimed invention and distinguish the claimed invention from the teachings of the cited prior art. More specifically, the prior art of record fails to expressly disclose the invention as a whole including: routing a message from a message router to a particular protocol gateway based on (i) a determined least recently used protocol gateway and (ii) a particular protocol utilized by a client device associated with the message, as recited in independent claim 24.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to HASSAN PHILLIPS whose telephone number is (571)272-3940. The examiner can normally be reached on M-F 9a-5:30p.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Andrew Caldwell can be reached on 571-272-3868. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
